Please allow a minimum of 21 days for processing of any complete application packet. Upon completion of the review process, you will be notified by mail.

NOTE: When submitting your application, please do the following:

- Include **all** necessary documents in one complete packet (with the exception of ASWB exam scores and Verification of Licensure, which are to come **directly** from the jurisdiction's regulatory board),
- Professional Reference Forms are to be in sealed envelopes with the signature of the reference over the sealed closure,

Applications will only be reviewed once all required documents have been received. If you would like verification of receipt of your application, be sure to mail your application with delivery confirmation.

Clinical licensure is a license to practice, and is <u>mandatory</u> for those who practice clinical social work in North Carolina. All certification levels are voluntary, but highly valued as a statement of professional responsibility and accountability to upholding established standards.

Certification/Licensure is a significant professional milestone that benefits those we serve and our profession as a whole. We wish you well with this effort and with your other professional endeavors.

Pursuant to N.C. Gen. Stat. §93B-15.1, military-trained applicants or military spouse applicants shall not be charged an initial application fee for a license, certification, registration, or temporary practice permit. If you are applying under these terms, please include a copy of your military/military dependent ID, leave and earning statement or DD2-14, and marriage certificate for military spouse applicants and/or divorce decree (if applicable).

Sincerely,

The North Carolina Social Work Certification and Licensure Board

Please review Certification & Licensure Levels and Eligibility Requirements carefully to determine the level you wish to apply.  Forms, transcript, and any other required documentation.
- **PUBLIC NOTICE STATEMENT:** The signed statement acknowledging that you have read and understand the Public Notice Statement maintained by the N.C. Industrial Commission, Employee Classification Section is required for **ALL** applicants and applications shall not be considered without receipt of the signed statement.
- **TRANSCRIPTS:** Official transcripts may be sent electronically from the social work program to ktabon@ncswboard.gov.

The North Carolina General Statute Section 90B-11(a) provides that the Board may, in accordance with the provisions of Chapter 150B of the General Statutes, deny, suspend, or revoke an application, certificate, or license on any of the following grounds:

- 1) Conviction of a misdemeanor or the entering of a plea of guilty or nolo contendere to a misdemeanor involving moral turpitude, misrepresentation or fraud in dealing with the public, conduct otherwise relevant to fitness to practice social work, or any misdemeanor reflecting inability to practice social work with due regard to the health and safety of clients or patients.
- 2) Conviction of a felony or entering of a plea of guilty or nolo contendere to a felony under the laws of the United States or any state of the United States.
- 3) Gross unprofessional conduct, dishonest practice, or incompetence in the practice of social work.
- 4) Procuring or attempting to procure a certificate or license by fraud, deceit, or misrepresentation.
- 5) Any fraudulent or dishonest conduct in social work.
- 6) Inability of the person to perform the functions for which he or she is certified or licensed, or substantial impairment of abilities by reason of physical or mental disability.
- 7) Violations of any of the provisions of this Chapter or rules of the Board.

The Board asks questions about an applicant's criminal, disciplinary and employment history to assist the Board in determining if the application should be granted, or if there is a valid basis for denying an application. In addition to the questions on the applications, the Board may conduct a formal criminal or disciplinary history check. Answering "yes" to any of these questions or having a conviction, disciplinary or adverse employment action is not automatically a basis for denial of licensure.

When an applicant has a criminal conviction, the Board will consider:

- (1) The level and seriousness of the crime;
- (2) The date of the crime;
- (3) The age of the person at the time of the crime;
- (4) The circumstances surrounding the commission of the crime, if known;
- (5) The nexus between the criminal conduct and the prospective duties of the applicant as a licensee;
- (6) The prison, jail, probation, parole, rehabilitation, and employment records of the applicant since the date the crime was committed;
- (6a) The completion of, or active participation in, rehabilitative drug or alcohol treatment;
- (6b) A Certificate of Relief granted pursuant to North Carolina Gen. Stat. § 15A-173.2;
- (7) The subsequent commission of a crime by the applicant; and
- (8) Any affidavits or other written documents, including character references.

The Board may consider any similar aggravating or mitigating circumstances with respect to the applicant's disciplinary and employment history. If Board staff is unable to approve an application, the applicant has the right to request to have that application heard by the members of the Board. Any such request must be submitted in writing to the Board's Executive Director. The Board will conduct that hearing pursuant to the North Carolina Administrative Procedure Act and the Board's own hearing rules. As a result of the evidence presented at that hearing and considering the considerations outlined above, the Board may refuse to grant a license if it finds any of the grounds for doing so under North Carolina Gen. Stat. § 90B-11.

If the applicant is aggrieved by the Board's final decision, the applicant may seek review of the decision by filing a petition for judicial review in the Superior Court. The procedures for seeking judicial review can be found in Article 4 of the Administrative Procedure Act, North Carolina Gen. Stat. § 150B-43 et seq. There are specific timelines and procedures for these proceedings, and failure to follow them may lead to the Superior Court dismissing or denying a petition. Therefore, close and prompt attention to the Administrative Procedure Act is required.

CERTIFICATION / LICENSURE BY SUBSTANTIAL EQUIVALENCY (COMITY)

North Carolina does **not** recognize licensure by reciprocity or endorsement. Certification or licensure <u>may</u> be granted through substantial equivalency (formerly referred to as "comity").

Application for certification/licensure by substantial equivalency is based on <u>current and active</u> registration, certification, or licensure in another state or jurisdiction at an equivalent credentialing level.

The requirements satisfied in that state/jurisdiction must be determined by this Board to be substantially equivalent to those requirements specified under North Carolina Statutes and Rules. The Board will be considering defined scope of practice, experience requirements, supervisory requirements, continuing education, and appropriate examination. For this reason, the Board will need to view the regulatory requirements that were in place at the time you were granted initial certification, licensure, or registration.

You may apply for certification/licensure by substantial equivalency only if you are currently (active status) certified, licensed, or registered as a social worker by a similar board in another state/jurisdiction. The North Carolina Board <u>may</u> recognize the qualifications acquired in your current state/jurisdiction, provided they are deemed to be substantially equivalent to those required by the State of North Carolina.

In order to apply for *substantial equivalency*, you will need to apply to the Board in normal course (completed application form, completed and sealed professional reference forms, and sealed official transcript). In addition, you will need to provide the Board with a copy of your state/jurisdiction law defining the qualifications under which you were certified, registered, or licensed (those regulations that were in place at the time you were granted certification/licensure/registration); verification of your current credential; **AND** certified proof of having passed the Association of Social Work Boards (ASWB) examination required for your level of certification/licensure. An official ASWB score report can be obtained by contacting ASWB at www.aswb.org or 1-800-225-6880 to request a score transfer. If you are unable to secure a copy of the regulations that were in place at the time of initial certification/licensure/registration, you may have your regulatory board document requirements met through completion of a License Verification document.

If you are certified or licensed in another jurisdiction by exam exemption (have not taken and passed the ASWB examination required for the applicable level for which you are applying), you may qualify for exam eligibility. Certification or licensure will not be granted until the examination requirement has been satisfied.
